

INTERNET SAFETY RULES

Children and Tweens Contract Sample

Teach safety rules for kids under 14 and provide them with time online as long as they agree to follow basic safety rules:

- 1.** I will not give out personal information such as my address, telephone number, parents' work address/telephone number without my parents' permission.
- 2.** I will tell my parents right away if I come across something that makes me feel uncomfortable.
- 3.** I will never agree to get together with someone I "meet" online without first checking with my parents.
- 4.** I will talk with my parents about posting pictures of myself or others online and will not post any pictures that my parents consider to be inappropriate.
- 5.** I will not respond to any messages that are mean or make me feel uncomfortable. It is not my fault if I get a message like that. If I do I will tell my parents right away.
- 6.** I will talk with my parents so that we can set up rules for going online and using a mobile phone. We will decide upon the time of day that I can be online, the length of time I can be online and appropriate areas for me to visit. I will not break these rules or access other areas without their permission.
- 7.** I will not give out my passwords to anyone (even my best friends) other than my parents.
- 8.** I will check with my parents before downloading or installing software or doing anything that could possibly hurt our computer or mobile device or risk my family's privacy.
- 9.** I will be a good online citizen and will not do anything that hurts other people or that is against the law.
- 10.** I will help my parents understand how to have fun and learn things online and teach them things about the Internet, computers and other technology.
